

# Bali Dive Resto

Our menu consists of a selection of Balinese, Indonesian and Western dishes.

All food is freshly prepared in our kitchen with only high-quality ingredients and no MSG.

Since Tulamben is quite remote, with no supermarkets available in this area, we work with suppliers that deliver us fresh goods. We totally depend on their availability, so every once in a while, certain items on the menu might temporarily not be available.

The fish is bought from the local fishermen, so their 'catch of the day' is what we can offer in our kitchen. The most common catches are Tuna and Barracuda, but sometimes we can also get Mahi-Mahi or Marlin.

☆ Please let us know if you have any preferences.

☆ All meat dishes can be vegetarian on request.

ENJOY YOUR MEAL
